What the Future Holds

Plans are underway to improve the worship space and environment at All Saints Mission in Ganado. Over the next several months we hope to...

- replace the carpet in the main church
- install new flooring in the two rooms on the south end of the church
- move the sacristy to the SE room
- move Mike Sandoval's work space into the current sacristy
- remove the old kitchen appliances and renovate the space into a closed confessional / reconciliation room
- renovate the old confessional next to the altar into liturgical storage space
- remove the wood paneling from around the altar / sanctuary of the church and replace with drywall painted a light color in order to brighten up the space
- continue to touch up the appearance of the church exterior

Some of these tasks can be done at minimal expense but some others will take funding for materials. In August, once Father P.J. returns from the Philippines, I will ask the All Saints Parish Council to convene to consider priorities and possible funding sources.

Tekakwitha Conference Gathering

There will be a gathering of Region 6 of the Tekakwitha Conference beginning at 10 AM (Mountain Standard Time) on Saturday, August 3, at St. Francis of Assisi Parish Hall located at 3090 North Longmore Road in Scottsdale, Arizona.

The immediate purpose of the meeting is to begin planning for the 2025 National Tekekwitha Conference to be held in Las Cruces, New Mexico from July 16-20, 2025. There will be a potluck lunch; please bring your favorite dish to share.

For more information, contact Antonette (Sony) Juan at 480-486-7464 or email to sonyjuan58@gmail.com.

Brother David

Brother David Landry, SC, who has been a member of the resident religious staff at St. Anne Mission in Klagetoh since 2022, has been reassigned to ministry at Mount St. Charles Academy in Woonsocket Rhode Island. He will be moving to Rhode Island sometime around the middle of September.

Vacation Bible School

The Vacation Bible School at All Saints Mission was a great opportunity for the local youth who attended to learn about their faith and have some fun together and with the visiting students from St. John Paul the Great High School in Northern Virginia. While still not up to pre-COVID levels, the number of attendees was greater than 2023 and we have great faith and hope that it will rebound even more in 2025.

St. Mary's Food Bank Distribution

The next monthly mobile distribution of food boxes from St. Mary's Food Bank is slated for Wednesday, August 20 from 1-3 PM (while supplies last) at the Klagetoh Chapter House. One box per household and each recipient must show ID. Volunteers are also needed to assist with the distribution. Volunteers will have a food box set aside. Please contact Br. David Landry for more information or to volunteer to help.

McQuaid Jesuit High School

Currently "in house" at Saint Anne Mission are ten rising seniors and two faculty members from Rochester, New York's McQuaid Jesuit High School.

The guys have already gained some experience working with sheep and other rural skills. They also helped prepare the church at Our Lady of the Rosary for a funeral this past Friday. They will be with us through August 1, returning to their families on August 2.

American Indian Benefit Alliance

Lester and Linda Crow and their friends from the American Indian Benefit Alliance in Amarillo, Texas, will visit Saint Anne Mission from August 22-24 with a giveaway event scheduled for the morning of Friday, August 23. Mr and Mrs Crow have been annual visitors, with the exception of the COVID years, for over 10 years now and have made many great friends in the area. Details and logistics regarding the distribution will be forthcoming.

Please Pray for...

the peaceful repose of our local residents...
